The Fertile Philosopher: A Book for Free Thinkers and Doers Maurice Mauser

The Fertile Philosopher is my meditation on how to live a creative life, an authentic life, a life for and beyond myself, guided by love and curiosity. On how to achieve meaningful progress, through the vehicle of the venture and technology. And on how my vision of a better future would look like. A future of creative, self-directed learning. A society that overcomes bureaucracy and labeling. And of individuals determined to grow into their visions of themselves. It's a book written for myself, the author. And it's a book for you, the free thinker and doer. — Maurice Mauser
