Kiria Martin will do anything to get just the right angle for her paintings, including trespassing on someone else's property. But when she hikes up Ansel's mountain, she finds a lot more than what she came for. Ansel White is the star of a local wildlife show. He'll do anything to protect what's his. When that includes Kiria, sparks fly as her free spirit rebels under his watchful eye. But he has an idea how to make her behave--and he's not above spanking her.
