Emma Zane has one magical chance to erase the past and reclaim her soulmate lover and her dreams of a successful songwriting career, but as the song says, it ain't gonna be easy.

### KISS HAPPENS

What if you could have one “do-over” in life? Emma Zane, who lost her lover and soulmate, Chase Chapman, and her passion for songwriting when she couldn't find the courage to go to Nashville, is about to find out.

But a do-over, even a magic one, isn't that easy. Emma's abruptly thrust into a new life as an award-winning songwriter, only to find out she's double-crossed Chase, stomped on others with her custom-made boots, and is engaged to a rising country star who has Emma locked into an ironclad contract. Now the woman who once pushed aside her dreams and the man she loves have to navigate a new world to reclaim both—without racking up more regrets than the one she started with. As the song says, it ain't gonna be easy.
