Lo Siniestro (Spanish Edition)

Sigmund Freud

Lo Siniestro (Spanish Edition) Sigmund Freud

Lo Unheimlich, lo siniestro, forma uno de estos dominios. No cabe duda que dicho concepto está próximo a los de lo espantable, angustiante, espeluznante, pero no es menos seguro que el término se aplica a menudo en una acepción un tanto indeterminada, de modo que casi siempre coincide con lo angustiante en general. Sin embargo, podemos abrigar la esperanza de que el empleo de un término especial unheimlich- para denotar determinado concepto, será justificado por el hallazgo en él de un núcleo particular. En suma: quisiéramos saber cuál es ese núcleo, ese sentido esencial y propio que permite discernir, en lo angustiante, algo que además es «siniestro» En este libro Freud reflexiona sobre «El hombre de arena» de E. T. A. Hoffmann. «Lo siniestro» es uno de los textos más sorprendentes y complejos de la literatura freudiana; un profundo análisis sobre un abundante material lingüístico cuya sintaxis es coherente con la que Freud va elaborando a partir de otros discursos.
