In this caste-ruled society, where multiple partners are the norm, celebrity, beauty, and power mean everything. Love and jealousy are considered emotional fallacies, nothing more than fleeting moods and sentiments biased by hormones. But sometimes people just fall in love...and that can be deadly.

Ben Anlow and his team embark on a revenge mission to bring down serial murderer and rapist, Liu Stavros, at his fortress in the inhospitable mountains of Tampa Three. But contractor Naela Starrie already has her own kind of vengeance planned for Stavros. Even as a battle-hardened soldier, Ben's not prepared for the darkness he sees in the female assassin, nor the way she challenges his prejudices about her people when she makes a sacrifice to save to his life.
