Now in its fifth successful edition, *Women: Images and Realities* offers a unique, thought-provoking introduction to feminism and women's studies. A multicultural anthology, the text presents a multidisciplinary collection of academic essays and analyses, personal narratives, and fiction and poetry about women's lives. The readings illustrate the variety of women's experiences, primarily in the United States, considering both commonalities and differences among women and appreciating women's diverse approaches to living and fostering change.
