YAC: Wuthering Heights (Young Adult Classics) Emily Bronte

Released in our Young Adult Classics format, Emily Brontë's classic story of passion and enduring love is a masterpiece of the gothic genre. Menacing, mysterious Heathcliff and willful, beautiful Cathy are two of the best-known characters in all of English literature. Freda Dowie gives a compelling reading of a novel as bleak and elemental as the moors upon which it is set. The reading is accompanied by a bonus CD-ROM which includes searchable texts in both abridged and unabridged format and exam-helpful notes from the leading teacher and writer Francis Gilbert.
