Game warden Abigail O'Connell and Glennon Garrett, security & surveillance expert, fall hard for each other while working a protection detail at Sanctuary lodge, in the backwoods of western Maine. After the crisis ends, there's no reason they need to remain hand's off. The hot sex commences, even with Glennon's shattered leg in a cast and his ruined shoulder in a sling. When handsome Deputy Joe Collins uses the house key Abigail gave him, he catches her and Glennon naked in her bed in a rather compromising position -- several positions, actually. Abigail and Joe are best friends, buddies -- and they made a sacred pact never to hit on each other. Now, breaking free of her self-imposed celibacy, Abigail is suddenly racking up hot wild sex with buff, muscled, overly macho Glennon, former Marine RECON. Joe is torn between jealousy over Abigail's leap from sexual famine to sensual feast, and his unexpected attraction to Garrett. When the three end up rip-roaring toasted during a straight tequila night, Jose Cuervo flies and inhibitions die. As their past experiences are raised from the dead, how will the two men react to each other -- and Abigail -- in the harsh light of day? Who is the stalker in their midst who can reveal their most intimate secrets and ruin their lives?
