Berlin 1945: The Final Days of Hitler's Third Reich (Hashtag Histories) Philip Gibson

What if there had been social media during World War II?

This is not a book in the usual book format. It is the compelling story of the final 20 days of Hitler's Third Reich told in the form of imaginary social media posts based on actual statements by Hitler, Churchill, Truman, Zhukov, Eisenhower, Goebbels, Bormann, Patton, Eva Braun and many others.

The story begins with the announcement of, and reactions to, the death of President Franklin D. Roosevelt and follows the thoughts and actions of the main participants through the capture of Vienna, the Battle of Seelow Heights, the liberation of the concentration camps, the Battle of Berlin, the death of Hitler and the eventual surrender of Reich forces.
