Gods of Blood and Bone (Seeds of Chaos Book 1) Azalea Ellis

My name is Eve Redding, and I am the new god.

I didn't want this. I would have fled from it, if I could. The monstrous creators of the Game forced me to play, fighting for my life on a beautiful, vicious alien planet. When a Player wins, the miraculous rewards allow us to upgrade the things that make us weak. At first, I was enamored by the ability to augment everything about myself—to be come smarter, stronger, prettier...*better*.

But after that first Trial, I would have done anything to escape the Game. I needed power to protect myself and those I care about. So I took it.

They say there is no escaping the Game, except through death.

But I'm the type to cling to life by the tips of my bloody fingernails.

Gods of Blood and Bone is the first book in the *Seeds of Chaos* dystopian science fiction series. Fans of *The Hunger Games*, *Red Rising*, and *Ready Player One* will likely enjoy this series.

From reader reviews:

George Clark:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Gods of Blood and Bone (Seeds of Chaos Book 1) as the daily resource information.

David Russell:

Reading a publication tends to be new life style with this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this Gods of Blood and Bone (Seeds of Chaos Book 1).

Arlene Farmer:

Are you kind of busy person, only have 10 or maybe 15 minute in your day to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short space of time to read it because pretty much everything time you only find publication that need more time to be go through. Gods of Blood and Bone (Seeds of Chaos Book 1) can be your answer since it can be read by you who have those short time problems.

Rebecca Dryden:

As we know that book is significant thing to add our understanding for everything. By a e-book we can know everything we want. A book is a list of written, printed, illustrated or even blank sheet. Every year was exactly added. This publication Gods of Blood and Bone (Seeds of Chaos Book 1) was filled about science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading the book. If you know how big benefit of a book, you can experience enjoy to read a publication. In the modern era like now, many ways to get book which you wanted.
