Infected: A Novel Scott Sigler

A terrifying thriller that will crawl beneath your skin . . . and leave fresh blood on every page.

A mysterious disease is turning thousands of ordinary Americans into raving, paranoid murderers who inflict brutal horrors on strangers, their own families, and even themselves. And one morning, ex-football star Perry Dawsey awakens to find mysterious welts growing all over his body. Soon Perry finds himself acting and thinking strangely, hearing voices, fighting uncontrollable rage . . . he is infected. Worse, the disease wants something from him, something that could alter the fate of the human race.
