Zoe Oliver never wanted to be on another reality TV show . . . until Chip Cormack made an offer too good to refuse. He's guaranteed her a payday this time and a chance to redeem herself in America's eyes. But Zoe worries she won't be able to focus as her desire for Chip grows and her strength to resist him weakens. When she learns she'll be roughing it in the woods with Chip and without luxuries like indoor plumbing and electricity, she's instantly on edge, feeling naked and terrified that her scars will be exposed and her secrets revealed. When Zoe's past turns up on the show, she fears she'll lose not only the life she's sacrificed everything else to have, but also the affections of the only man she's ever trusted with her heart.
