## **Out of the Ashes (The Sons of Templar MC Book 3)** Anne Malcom

Living a life in darkness causes the soul to char to ash. Battling demons by turning himself into a monster is the only way he can survive...the only way he can keep a grip on sanity. That grip is precarious at best, every day is a silent battle with demons that threaten to yank him into the truest form of darkness, the abyss he'll never escape. Then it happens. Light shines through the cracks.

Happiness. Mia Spencer's life is full of it. She has an amazing new job, friends, family, and the light of her life - her daughter Lexie. Running from the demons of the past, escaping a hell that she vowed Lexie would never know about, she worked through hardship and near poverty to create something she was proud of. Buried deep inside, underneath the swell of love she had for her only daughter, were the fractured pieces of her. Pieces that were smashed and battered when she was young and vulnerable.

Then she meets Bull, who seems to hate her on sight. He screams danger, from his huge physique, to his beautiful ink, to the motorcycle club he belongs to. He is silent, his glares threaten to burn her into flames, yet she finds herself falling for him. Finds this broken man slowly fixing the pieces she thought would stay shattered forever.
