Taking Care of Business (Cliff Hardy series) Peter Corris

Private investigator Cliff Hardy is no financial genius, but in this collection of hard-boiled detective stories he pursues white-collar criminals with the same doggedness he applies to his more downmarket villains. A conveniently placed telephone book advertisement leads Hardy to begin investigating white-collar crime in both big business and small. From keeping a watchful eye on a corporate whistleblower to taking a case from his local florist, Hardy approaches each job with his usual determination, making for another fast-paced edition with an exciting flair that has made the Cliff Hardy series an international favorite.
