The Comeback: Seven Stories of Women Who Went from Career to Family and Back Again Emma Gilbey Keller

It's a tough economy for job-seekers, and it can be even more nerve-racking for women trying to juggle career and family. Women are used to being told that once we get off the career track, we can't get back on. In *The Comeback*, Emma Gilbey Keller proves that this isn't true: More and more, companies today are looking at the value of hiring returning mothers. In this encouraging book, Keller tells the stories of seven very different women from a variety of professions who sought to strike a balance between demanding careers and budding families. A new afterword looks at the personal balancing act of First Lady Michelle Obama. All of these women have complicated stories, filled with the choices, decisions, and trade-offs that all mothers face.

An absorbing blend of story, insight, advice, and inspiration, *The Comeback* offers a positive message to mothers overwhelmed by the ever-shifting work-versus-home debate.
