Thirsting for Prayer Jacques Philippe

"What the world most needs today is prayer. It is prayer that will give birth to all the renewals, healings, deep and fruitful transformations we all want for society today.... I am more and more convinced that everything comes from prayer and that, among the calls of the Spirit, this is the first and most urgent one we should respond to." Many have already benefited from Fr. Jacques' best-selling book on prayer, Time for God. In Thirsting for Prayer Fr. Jacques revisits some of the themes covered in that book and develops new insights that are both profound and practical. These reflections guide us with simplicity on the path to intimacy with God, helping us to develop an actual taste for personal prayer. This "school of prayer" opens us up to the encounter with God that transforms us from within.
