### **Vattas War Marque and Reprisal (Part 2 of 2)** Elizabeth Moon

Kylara Vatta, risk-taking, rule-breaking, can-do heroine of *Trading in Danger*, is back in business the kind that's anything but usual in the new military science fiction adventure by ace action storyteller Elizabeth Moon. The exciting military career she hoped for never got off the ground but Ky Vatta ended up seeing plenty of combat when she took the helm of one of the commercial transport vessels in her family's fleet...and steered it into a full-blown war. Now the lessons she learned in that trial by fire are about to pay off: because this time, the war has come to her. To be exact, someone unknown has launched a full-throttle offensive against Vatta Transport Ltd., Kys father's interstellar shipping empire. In short order, most of Kys family is killed, and subsequent attacks sever vital lines of communication, leaving Ky fighting, in every sense, to survive. Determined to identify the ruthless mystery enemy and avenge her family's name, Ky needs not only firepower but information. And she gets both in spades from the band of stranded mercenaries she hooks up with, from her black-sheep cousin, Stella, who's been leading a secret life, and from Stella's roguish ex-lover, Rafe. Together they struggle to penetrate the tangled web of political intrigue that's wreaking havoc within InterStellar Communications, whose effective operation their own livelihoods and perhaps lives depend on. But the infighting proves to be infectious, and it isn't long before Kys hired military muscle are turning their suspicions on the enigmatic Rafe, whose wealth of knowledge about ISC's clashing factions and startling new technologies has begun to make him smell like a rat...or a mole. With swift, violent destruction a very real possibility, the last thing Ky needs is a crew divided against itself and she's prepared to take whatever measures are necessary to ensure that Vatta stays in business, as well as in one piece. What she's not prepared for is the shocking truth behind the terror and a confrontation with murderous treachery from a source as unexpected as it is unrelenting. (Part 2 of 2)
