Your Thoughts, Your Power - Thought-Force In Business and Everyday Life, Thought Vibration, Hindu-Yogi Science Of Breath William Walker Atkinson

Success in life depends upon the possession of the quality of attracting and influencing the people around us. No matter what other qualities you may possess, you are handicapped by a lack of that subtle force called Personal Magnetism. Nearly every extremely successful person possesses the ability to attract, persuade, influence. They are successful in their own lines of endeavor and the results of their labor are brought on by others. Thought-Force In Business and Everyday Life will help you develop the ability to attract your desires by use of yet uncovered abilities within you. Thought Vibration looks at the law of attraction in the thought world pointing out the similarities between the law of gravitation and the mental law of attraction. Atkinson explains that thought vibrations are as real as those manifesting as light, heat, magnetism and electricity. The difference is in the vibratory rate which also explains the fact that thought vibrations cannot usually be perceived by our five senses. Hindu-Yogi Science Of Breath is a Complete Manual of The Oriental Breathing Philosophy of Physical, Mental, Psychic and Spiritual Development. Rhythmical breathing brings oneself into harmonious vibration with nature to maintain vitality, freedom from disease and increased resistance. Ones mental power, happiness, self-control, and even spiritual growth will be increased with greater understanding of the "Science of Breath." William Walker Atkinson was an attorney, merchant, publisher, and author, as well as an American pioneer of the New Thought movement. He is also known to have been the author of the pseudonymous works attributed to Theron Q. Dumont and Yogi Ramacharaka. In the last 30 years of his life he wrote more than 100 books.
